

Information's about the 1st European Club Teams Cup during the Outdoor championship in Turin. 3 to 6 march 2008.

At the end of the captain meeting, the delegate from E.M.A.U for this competition gave many informations about this event.

Then, during two days, federation's presidents, national coaches and archers asked as many questions as they could to know everything about the 1st European Club Teams Cup.

Now, we are sure that the archers, clubs and federation's are interested and motivated to compete with their clubs under the format provided by EMAU.

The organizer would like to know before the end of May how many clubs would like to be involved in this competition.

So, please, Federation or club , send an email with your answer as soon as possible.

Thank you and see you in Moliets.
